& Virtual Tour at Del Mar Highlands Town Center

COST: FREE for all attendees; Wear your Hawaiian attire!

Join IYP and sponsors as we embark on a virtual tour of one of Del Mar's newest gems: The Sky Deck. Set to open in late October, The Sky Deck at Del Mar Highlands Town Center spans 25,000 sq. ft. and features nine restaurants, a craft cocktail bar and an outdoor brewer's deck. You won't want to miss this virtual tour with Derek Murray, the Operations Manager at Donahue Schriber Realty Group, and an additional Q&A session.

Additionally, we'll be providing a \$25 Grub Hub gift card to all attendees of this Hawaiian-themed event! Need a little more enticing? Attendees will also be included in a "Property Scavenger Hunt" game (complete with prizes) as we take our live virtual tour of The Sky Deck. Join us from the comfort of your own office chair or couch... and learn something new about San Diego real estate at our August IYP event!
